Statement of Compliance on RoHS

WELLS-CTI has made a commitment to our customers to provide products that comply with the European Environmental Hazardous substance standards (RoHS) in accordance with EC Directive 2002/95 and the limits established in EC Directive 2005/618.

All burn-in products shipped from WELLS-CTI's US and Japan locations are RoHS compliant unless agreed to by the customer.

A handwritten signature in black ink, appearing to read "Matt Bergeron", with a long horizontal line extending to the right.
