The REACH regulation is not applicable to the WELLS-CTI organization because we do not meet the conditions stated in Article 7 of the REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006.

Registration and notification of substances in articles

1. Any producer or importer of articles shall submit a registration to the Agency for any substance contained in those articles, if both the following conditions are met:

(a) the substance is present in those articles in quantities totaling over 1 tonne per producer or importer per year;

(b) the substance is intended to be released under normal or reasonably foreseeable conditions of use.
